Dear Parent/ Guardian,

Please be informed that your daughter will be writing the following controlled test papers on the days indicated below.

These tests are compulsory and form part of the School Based Assessment for the year. If your daughter is absent for any of the papers, she will only be able to write another paper at a time and date stipulated by the school **if she produces a valid medical certificate.**

Please note that normal time-table applies after/ before papers are written. Learners must be prepared for all lessons on the respective days. All COVID-19 school protocols apply.
